

WELCOME TO THE TRAA

Dedication Today for Tomorrow

"For the enhancement, protection and promotion of a viable, multi-species fishery within the Thames River watershed."

DONATE & FUNDRAISE

Efforts are underway to raise the funds we need to continue many of the TRAA's most vital projects

[CONTACT US](#)

THE TRAA & MEMBERSHIP

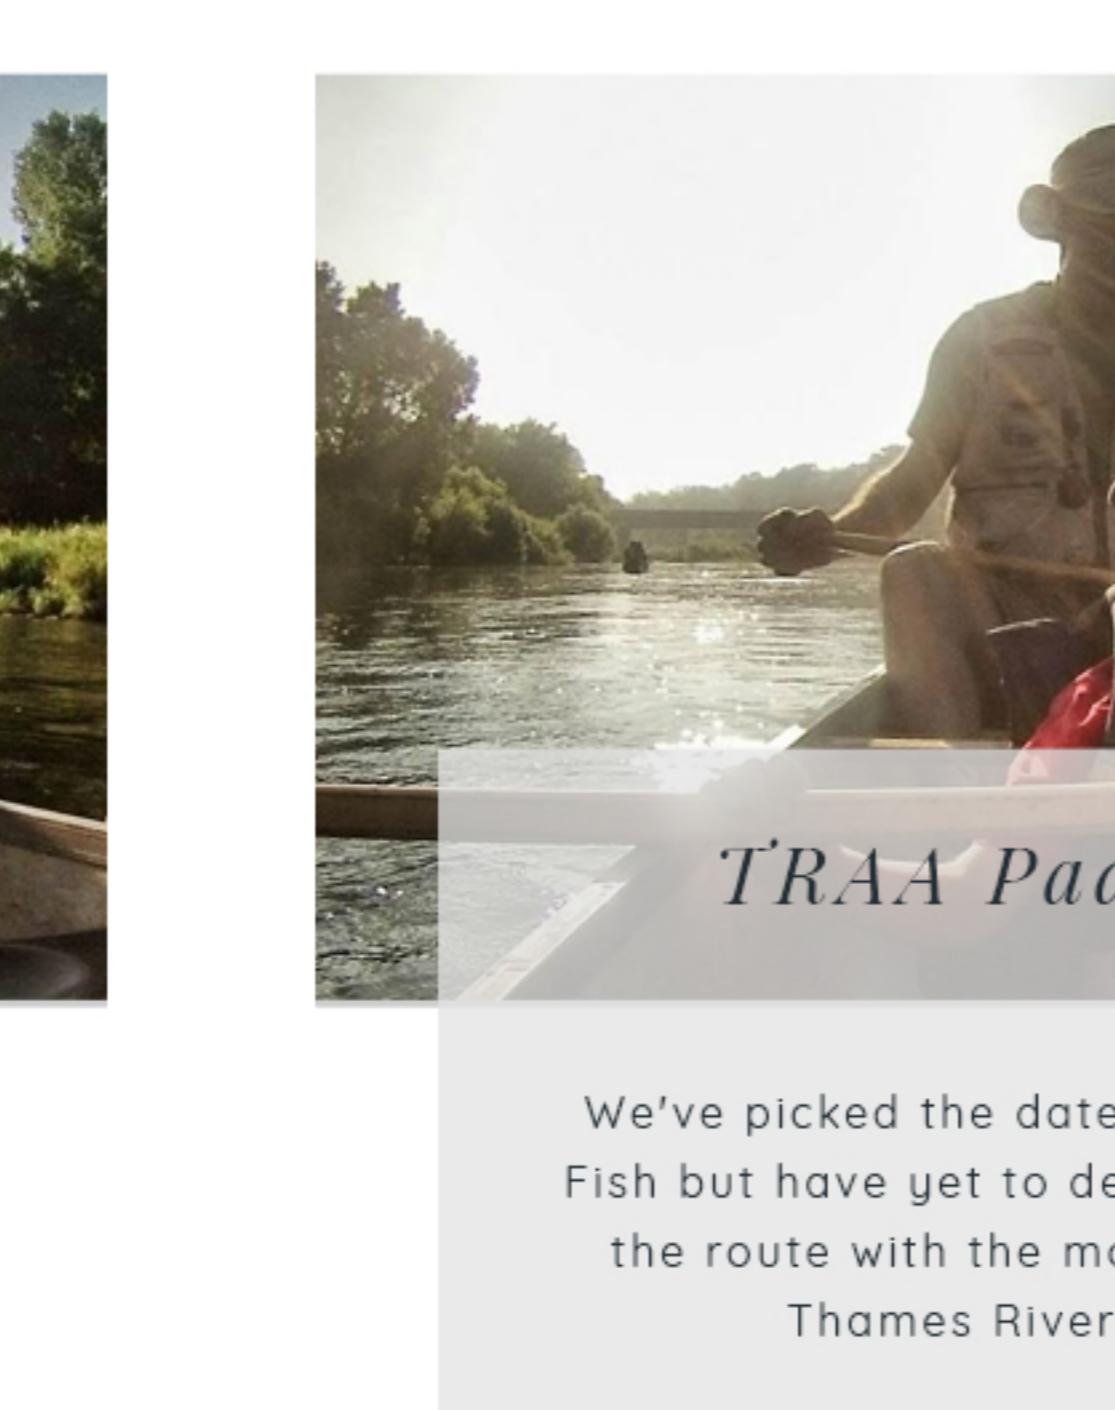

Become a member and add another voice to help in our efforts in protecting our aquatic habitats for as little as \$25/year

TAKE ACTION & GET INVOLVED

From getting involved in our salmonid monitoring program to our Komoka Creek hydrological study, make a difference today

About The TRAA

In the spring of 1986 the TRAA was formed by anglers concerned with the state of the fishery in the Thames River watershed, particularly the dwindling smallmouth bass population in the North Thames River.

The TRAA is not a fishing club, although most members are anglers and share fishing as a common interest. We are a "hands on" environmental group who likes to work at a grass roots level.

Latest News

Paddle & Fish

for this year's Paddle & Fish on the route. So far, support is the South East of London.

TRAAPaddle & Fish

We've picked the date for this year's Paddle & Fish but have yet to decide on the route. So far, the route with the most support is the South Thames River east of London.

TRAATrout Hatchery

The TRAA Trout Hatchery began in the mid-1980's as an outdoor upwelling box located adjacent to Komoka Creek on private property. While it was a simple and rustic affair, the TRAA enjoyed incredible egg hatching and fry survivability rate.
