

WELCOME TO THE TRAA

Dedication Today for Tomorrow

"For the enhancement, protection and promotion of a viable, multi-species fishery within the Thames River watershed."

DONATE & FUNDRAISE

Efforts are underway to raise the funds we need to continue many of the TRAA's most vital projects

About The TRAA

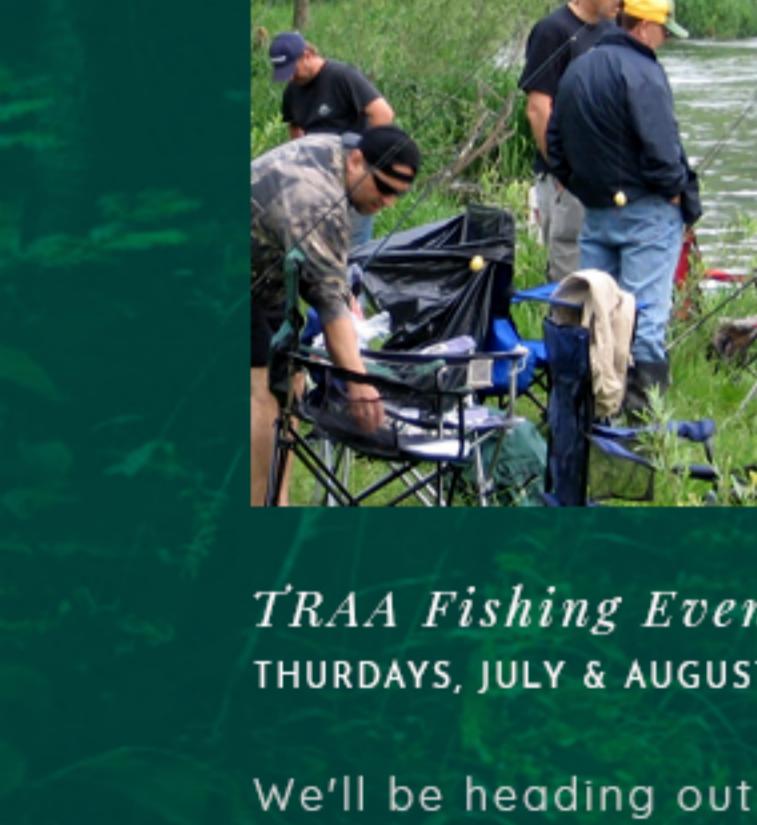

In the spring of 1986 the TRAA was formed by anglers concerned with the state of the fishery in the Thames River watershed, particularly the dwindling smallmouth bass population in the North Thames River.

The TRAA is not a fishing club, although most members are anglers and share fishing as a common interest. We are a "hands on" environmental group who likes to work at a grass roots level.

Latest News

Paddle & Fish

For this year's Paddle & Fish we're on the route. So far, the support is the South West of London.

TRAA Paddle & Fish

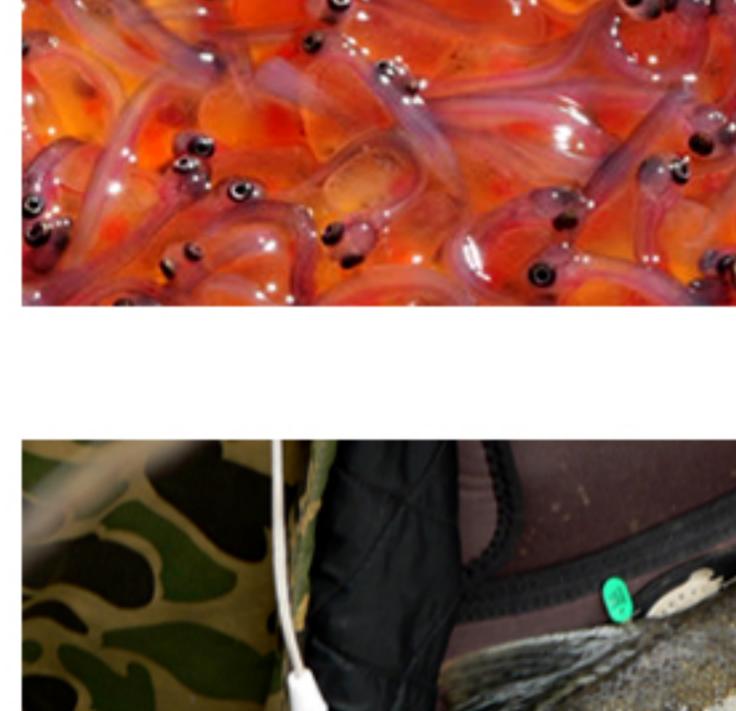

We've picked the date for this year's Paddle & Fish but have yet to decide on the route. So far, the route with the most support is the South Thames River east of London.

We've picked the date for this year's Paddle & Fish but have yet to decide on the route. So far, the route with the most support is the South Thames River east of London.
